THIRTIETH REUNION

Sixty-seventh Regiment Hold Annual Meeting in Perrysburg.

The Thirtieth Annual Reunion of the 67th Regiment was held at Perrysburg, Sept. 6th, 1906. The citizens of Perrysburg generally decorated business houses and home in honor of their guests. Chas. A. Powers generously gave the use of his splendid office to the officers of the regiment and from 9 a. m. until 10 a. m. 122 of the surviving members were registered, together with many soldiers of other Ohio regiments.

At 10 o'clock a. m. Col. E. L. Kingsbury with Capt. J. I. Waffle, assembled the members of the 67th and visiting comrades and marched to the town hall, which had been beautifully decorated by the ladies of the Veteran Women of America, and after all were comfortably seated the assembly was called to order by Jas. H. Hayes, president of the regimental association, who by reason of the fact he was quite deaf, called. Leslie Decker of Toledo, to the chair.

A well arranged program for the entertainment of the soldiers and citizens was then listened to, as follows: Invocation by Rev. Geo. H. Lowry. Song by quartette, consisting of Mrs. A. R. Williams, Mrs. F. C. Eberly, Messrs. C. F. Chapman, Jr., and C. J. Champney, Miss Edith Chapman, accompanist.

Address of welcome by Hon. F. E. Bowers, mayor.

Response to address of welcome by Hon. Frank Briggs of Delta, Ohio. Song by quartet.

Address by Capt. Chas. Shafer of his company, which was an interesting review of the services of Co. I, among one of the best companies of the regiment.

Dinner was then served by the ladies of Fort Meigs grove W. C.—the attendance being many more than expected. The ladies were for a time fearful that all might not be fed—the attendance being nearly 600, but all were supplied.

At 1:30 p. m., the large hall was again filled to overflowing, when the usual business meeting of the regiment was taken up, and the selection of next location to hold reunion in Sept., 1907, was considered.

Before proceeding with regimental business, Miss Julia Gould was called and rendered a solo with Miss Ruby Cranker as accompanist.

Hon. John Gunckle, the father of many newsboys associations, as the guest of Lieut. C. D. Lindsay, was called out, and in his pleasant manner, spoke of his newsboys, his way of educating them to be neat, honest and manly. Every person in that large audience listened with pleasure to his remarks and the wife of an aged soldier, was heard to say, no wonder he has such great success with those poor little boys—his face is a mirror of kindness and fatherly love. Mr. Gunckle captured the 67th for upon taking his seat upon motion of Lieut. C. D. Lindsay, seconded by many, he was unanimously elected and enrolled as an honorary member of the 67th O. V. V. I.

Mrs. Ruth A. Arnold, supreme secretary of the National Women of America, was next called to the platform and in an interesting way explained the object of their order—their purpose to lead to the establishment of a state home for the aged wives and mothers of soldiers. She told with great feeling what the poor wife and mother suffered, waiting the news from the front, and after the return of son or husband, her loving care, then in old age and in the evening of their lives, the soldiers, be he son or husband, the great state of Ohio gives to him entrance to its soldier home. But the poor old mother or wife must go to the home provided for her.

THE PERFECT WAY

Scores of Perrysburg Citizens Have Learned It.

If you suffer from backache, There is only one way to cure it. The perfect way is to cure the kidneys.

A bad back means sick kidneys. Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only.

Are endorsed by Perrysburg people. Mrs. E. R. Trombly, of Main street, Perrysburg, Ohio, says: "Personal experience has proved to me that Doan's Kidney Pills are everything they are represented to be. Kidney complaint troubled me for a good many years and three years ago I had a very severe attack which laid me up for several weeks. My back was so bad that it was impossible for me to stoop to pick up anything from the floor. I wore plasters and took different remedies but obtained little relief until I began using Doan's Kidney Pills. They helped me from the first. I only used the one box which is not enough to affect a cure of a case of long standing like mine, but sufficient to convince me that they are a genuine kidney remedy and will do just what is claimed for them if given a fair trial. I give with pleasure and without hesitation my endorsement to this valuable preparation."
